

## Call for Papers: International Journal of Racket Sports Science (eISSN: 2695-4508)

<https://journal.racketsportscience.org/index.php/ijrss/index>

Dear Author,

Based on your prestigious previous work, we would like to invite you to submit your research to the **International Journal of Racket Sports Science**. Our journal is dedicated exclusively to publishing high-quality research in the field of racket sports, including tennis, badminton, squash, paddle, and other related sports. The purpose of this journal is to aggregate significant advances and research that will influence the development and directions of racket sports science.

### Topics of Interest

We welcome submissions on the following topics:

- **Biomechanics and Movement Analysis:** Studies on body mechanics and movement in racket sports.
- **Physiology and Training:** Research on physical preparation, training methods, and performance in racket sports.
- **Sports Medicine:** Research on injuries, rehabilitation, and health issues related to racket sports.
- **Sports Psychology:** Analysis of behavior, motivation, and mindset of racket sport athletes.
- **Technology and Equipment:** Innovations and developments in rackets, balls, footwear, and other relevant technologies.
- **History and Development:** Historical studies and the development of racket sports over time.
- **Comparative Studies:** Comparisons between different racket sports in terms of technique, training, and performance.
- **Sociocultural Aspects:** Research on the social and cultural impact of racket sports.
- **Racket Sport Events:** Studies on the organization, impact, and outcomes of racket sport events.
- **Social and Participation Projects:** Research on projects promoting social inclusion and participation through racket sports.
- **Notational Analysis:** Analysis of performance and tactics in racket sports through notational methods.

*Any other topic related to racket sports & science*

- Dialnet
- REDIB
- EuroPub
- Google Scholar

- Electronic Journal Library
- J Gate
- ResearchBib
- SportDiscus
- WorldCat
- **And more...**

**IJRSS has just applied to the ESCI (WoS) and it will apply to Scopus in 2025.**

#### **Author Guidelines**

Interested authors should submit their manuscripts through the journal's manuscript management system at:

[Manuscript Submission](#).

Articles must follow the formatting guidelines available at:

[Submission Guidelines](#).

#### **Review Process**

All manuscripts will undergo a rigorous peer-review process. Authors are expected to cooperate with reviewers to ensure the high quality of published articles.

#### **Editorial Team**

##### **Editor in Chief:**

- David Cabello Manrique, University of Granada, Spain ([dcabello@ugr.es](mailto:dcabello@ugr.es))

##### **Associate Editors:**

- Miran Kondric, University of Ljubljana, Slovenia ([miran.kondric@fsp.uni-lj.si](mailto:miran.kondric@fsp.uni-lj.si))
- Adrian Lees, John Moores University, United Kingdom ([a.lees4444@gmail.com](mailto:a.lees4444@gmail.com))
- Gema Torres, University of Jaen, Spain ([gtluque@ujaen.es](mailto:gtluque@ujaen.es))
- Enrique Ortega-Toro, University of Murcia, Spain ([eortega@um.es](mailto:eortega@um.es))
- Julian North, Leeds Beckett University ([J.North@leedsbeckett.ac.uk](mailto:J.North@leedsbeckett.ac.uk))

#### **Support Contact:**

- Emilio J. Ruiz-Malagón ([emiliorm@ugr.es](mailto:emiliorm@ugr.es))
- Juan Felipe Vargas ([info@journal.racketsportscience.org](mailto:info@journal.racketsportscience.org))

We look forward to your valuable contributions to the International Journal of Racket Sports Science.
